

Vicky J. Wheeler

Virginia Counselors Association
Director of Membership
Services

Vicky Wheeler has served as the Director of Membership Services for the Virginia Counselors Association since January 2005.

Before coming to VCA, Vicky worked as a contractor at NASA Langley Research Center as the Program Coordinator for the Langley Aerospace Research Summer Scholars Program, which is a research internship for undergraduate and graduate students. Vicky assisted in the recruitment of students from across the U.S., as well as implemented exciting, successful summer experiences for approximately 150 students annually. While at NASA Langley, she also served as the program's acting director and as a member of the University Affairs team.

Previously, Vicky worked as a program coordinator for the Virginia Space Grant Consortium on an internship program similar to LARSS; served as the Chief Financial Officer of a housing rental and resale business; and began her career at Drucker and Falk as an administrative assistant. Vicky holds an A.A.S. in Business from Alfred State College in New York.
