CHIA SUMMIT 2015 | Setting an Agenda for Collective Impact

Community Health Improvement in Action (CHIA)

61/72 Prioritized Alcohol

www.improvingwihealth.org
Sept. 2014, UW Pop. Health
Clark County added

Why work together?

Where are we now?

Exchange
info and
ideas

+ Alter
activities

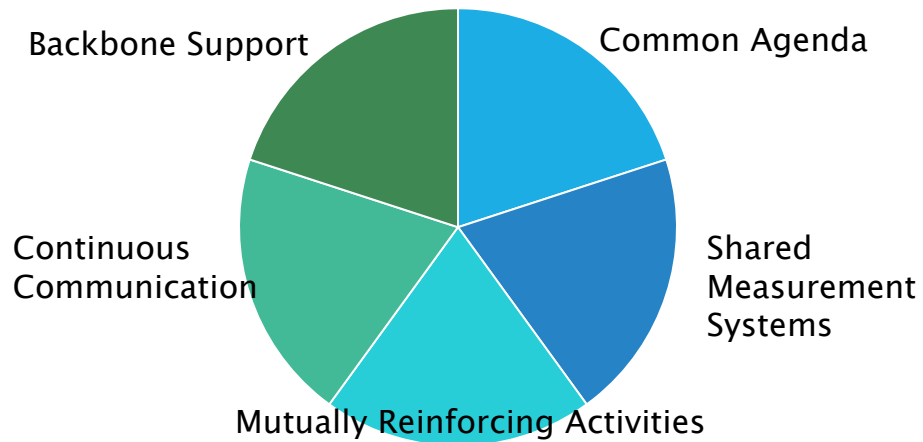

+ Sharing
resources

+ Enhance
capacity of
other
partners

5 Conditions of Collective Impact

Source:

http://www.ssireview.org/articles/entry/collective_impact

Common Agenda

What is our shared vision for change?

Shared Measurement Systems

How will success be measured and reported?

Mutually Reinforcing Activities

How will each partner's efforts support and be coordinated with others?

Continuous Communication

How will we communicate openly & patiently build trust?

Backbone Support

Who will provide direction, facilitation, and management?

5 Conditions of Collective Impact

What would it take to launch a CI initiative?

A few Collective Impact resources
