MEDIA ALERTS
News from the Wallcoverings Industry

The Wallcoverings Association sends out Media Alerts three times a year to editors like yourself to provide a snapshot of new products and news in our industry. Contact email addresses are included.

Summer 2018

Over the Top Tropical
Boasting a super-sized repeat and playful hits of fuchsia and violet, HD Wall's Tarma is anything but your classic tropical. Painterly and rich, Tarma adds drama and interest to any space. Tarma is available in three colorways: White, Storm and Marine. It is Type II Class A Wallcovering.

Handcrafted Appeal
Versa introduces Balliano, an organic style wallcovering with a handcrafted and hand-painted effect. The reimagined, stylized geometric features a new silk embossing that's at home in a multitude of interiors. The soft, aged fabric aesthetic comes in 12 colors from cream, taupe and silver to aqua, indigo, black and raspberry.

Jungle Fever

From Source One comes Inked Kingston, a 27" paper design that incorporates a raised print technique, bringing a textural hand and artistic look to the pattern. This same raised print technique embellishes Source One's Kingston design, which is a wider width, vinyl product.

All That Glitters

Wolf-Gordon introduces three new wallcoverings to Contract 02, a collection of designs inspired by textural and architectural elements. Cascade and Cascade Ribbon employ metallic inks to reflect the influence of silken materials. They utilize dimensional embossing for a depth that reflects their geometric intricacy.

Industry Sample Book

To help specifiers and students learn more about wallcoverings, the WA has developed a tri-fold sample book that includes samples of various wallcoverings materials and backings, and suggestions for applications. These will be available for $10 each beginning July 2018.
