Tuition Assistance

\$307,000 of Tuition Assistance was distributed to K-12 families during the 2018-2019 school year.

Enrichment Programs

We offer an extensive after-school enrichment program at our lower campus, serving our littlest Eagles in grades K-5. Classes vary by session and have included such offerings as Chess is Life, Karate, Art, Childrens' Yoga, and It's Rocket Science. These courses are pay-to-play and are taught by outside arts educators.

Our nurturing, academic environment fosters future success. Areas of study include:

- Religious Education
- Mathematics
- English/Language Arts
- Reading
- Science
- Social Studies
- Art
- Computer Science
- Physical Education
- Music/Band/Choir

Technology

- 1:1 Technology; a device for every student, grades K-5
- 3D Printing Technology
- 1 2 3 Design
- Inventor Cloud Curriculum (STEM)
- RenWeb allows parents to view grades and communicate with faculty online
- iRead digital phonics curriculum
- Students have access to Ozobot, MakeyMakey, and Osmo technology

Kindergarten Readiness

A comprehensive 4 & 5 year old program is available. Features gym, music, technology, and art classes.

Extended Care

Offered every day after school from 2:20 - 5:30 p.m. (Fees associated with after school care are billed separately)
