

Anita joins the WASBO team as Member Services Coordinator. She has a bachelor's degree in Business Administration with an emphasis in Finance and Accounting from Washington State University. In her prior role as Project Manager for InTouch Receipting, she worked with K-12 school business officials throughout the state and across the country. She has experience with accounting functions, best practice solutions, help desk calls, and technical training documentation. Anita has planned, developed and lead regional user group meetings, attended and networked at state and national school business trade shows/conferences and designed and delivered various web-based trainings.

Anita's professional goals include a resumed plan to sit for the CPA exam. She enjoys hiking, writing and food adventures; so much food, so little time! With family living in both Washington and Hawaii, she is able to combine her love of family and travel with visits as often as possible.
