

Brianne brings 12 years of school business experience and WASBO membership to her role as Executive Director of Washington Association of School Business Officials (WASBO). Working in Orting, Clover Park and University Place school districts prepared her to understand the varying needs of districts across the state. Her prior involvement in WASBO includes chairing the ASB Networking Group and presenting throughout the state on various business related topics. Brianne also works to align with the other educational associations and has given multiple presentations to their members. Prior to this position, Brianne served as the Client Learning and Development Strategist for In-Touch Receipting. Brianne holds a Bachelor's degree in Business Administration from Seattle University and has earned WASBO's Certified School Business Official (CSBO) designation.
