ADVANCED BOOTH SHIPMENTS

Reach out to Trade Show Supply House for advanced booth shipments, assistance with booth labor, or additional booth supplies AS SOON AS POSSIBLE. Plans MUST be made before the Convention begins.

COMMON CARRIERS

Exhibitors may consider using one of the below common carriers to transport their booth supplies.

Vintners Logistics: 509-783-5544

YRC Freight: 509-545-8867

EXHIBITOR NAME BADGES

Pick up all name badges at the Trade Show Concierge near the loading dock at Three Rivers Convention Center.

BOOTH SET UP

Booth set-up is on Monday, February 11 from 10:00 AM - 5:00 PM. Doors will open to Exhibitors to finalize their booth preparations at 6:00 AM on Tuesday, February 12 (only hand-carried items may be transported on Tuesday morning). Please contact Trade Show Supply House BEFORE the Convention to make alternative arrangements.

A \$250 fine will be assigned for late set up or early tear-down and you will be removed from the seniority list for 2020. Set up after 7:30 AM Tuesday, February 12 or tear-down before 4:00 PM Wednesday, February 13 is prohibited. Setting up a booth late or tearing down early disrupts the consistency of the show and detracts from neighboring booths, and does not comply with fire marshal rules.

BOOTH TEAR DOWN

All items must be removed from the show floor between 4:00 – 8:00 PM on Wednesday, February 13. If you have an issue with removing your items by Wednesday night, contact Bryan Brammer (see middle column) at Trade Show Supply House. Plans must be made before the Convention begins.

UNATTENDED BOOTHS

Booths must be attended at all times during open hours. Booths left unattended for more than 60 minutes are considered “abandoned” and may be resold at the discretion of the Association.

- NO outside food or beverages allowed.
- If your product or service necessitates food or alcohol samples, please contact the Winegrowers office by November 1st. Prior approval is REQUIRED.
