When women lead, our economy, companies and communities thrive.

Stop Wasting Time and Energy! Step into Your Strengths Zone with Confidence!

Organizations around the globe routinely waste time, energy, and talent by telling us to fix our weaknesses. What if we could step into our Strengths Zone, instead? Each of us is uniquely hard-wired to be amazing at some things and less so at others. This session will provide a foundational understanding of what Strengths are; how we develop them; the value we bring when we use them more often, on purpose; and how to build collaborative, strengths-based teams.

Participants are encouraged, *but not required*, to complete the StrengthsFinder assessment ahead of the session. To do that, go to www.gallupstrengthscenter.com and purchase either a Top 5 or a Full 34 Theme report (the assessment cost is NOT included in your registration for this session). If you do that, bring your report with you to the session for deeper personal insight.

For sponsorship opportunities, contact Barb Smoot at smootb@weldoh.org

Registration closes at noon on February 13th! Late fees apply after registration closes. Contact Mindy Koenig at mkoenig@weldoh.org if you have questions.
