

## Become a Member of the Wisconsin Association for Home Health Care Today!

The home health care industry continues to grow exponentially, and is rapidly being adopted as a cost effective alternative to establishment based healthcare therapy. WiAHC is the voice of Wisconsin Home Health Care, and aligning your company with WiAHC provides a partnership beyond selling your products and services. Associate Membership benefits include providing educational articles for our website and newsletters, participating in webinars, product education and member communication.

### Become an Associate Member Today.

**[Click Here to join](#)**

- Enjoy Reduced Exhibit Fees and exclusive Sponsorship Opportunities for the upcoming Spring and Fall Conferences.
- Access to 'member only' section of the WiAHC website, including member directory.
- Member Communication: Inclusion on email lists to receive communications sent to our members.
- Presentations and Webinars: Associate members have opportunities to network and present to WiAHC members through conference presentations and webinars.
- Contribute to Monthly e-News: Submit articles for membership education.
- Associate Membership Page: Company listing and description on WiAHC's Associate Member webpage, including links to your company's website and contact information.
- Advertising Opportunities: Only \$250 per quarter; Ad placed on WiAHC Homepage and side bar of each monthly e-newsletters and all communication. Advertise Today!

### Associate Membership

Associate Membership may be granted to individuals or organizations whose interests align with the goals and activities of WiAHC and is appropriate for organizations that provide services or products to home health care agencies. Annual Dues for Associate Membership is \$500.
