Health Payment Systems (HPS) is contracted with two-thirds of Wisconsin counties, covering 100+ hospital facilities and 30,000+ individual providers. We are constantly negotiating better rates and seeking out creative money-saving opportunities to help employers and individuals save significant dollars on quality healthcare. Our PayMedix solution provides the member with a single monthly statement, the SuperEOB®, addressing all claims accrued and offers patient financing for all up to the full out-of-pocket maximum. PayMedix removes the financial barrier to care for members by prompt paying both the employer and employee portions of a healthcare claim in one electronic payment to providers, and then offering interest-free financing to members for those claim payments. PayMedix and the SuperEOB® can overlay any network offering.
