FALL CLE

The 2018 Fall CLE had approximately 100 attendees, who attended either the Criminal Law or Family Law track. Each track focused on mental health issues attorneys face in the course of daily practice, including best practices and local resources available to attorney and their clients. With a joint session during lunch about entering evidence from local court reporters, participants gained useful skills, tips, and tricks on top of the incredible 6 hours of CLE credits (and 4.5 hours of ethics credits!), all at no cost to all members of the Williamson County Bar Association. Many of the presentations will be made available to WCBA members online; additional questions and comments for presenters can be directed to info@wilcobar.com.

HAUNTED JAIL

This year's "Nightmare on Jail Hill" Haunted Jail was once again a phenomenal success! Through rain and cool temps, Haunted Jail goers waited to enter the spooky, decorated hallways of the Haunted Jail and be scared by members of the local community. The WCBA-sponsored cell – a Vampire Bar – elicited plenty of shrieks from passersby and helped us raise a grand total of **\$38,000.00** for the Williamson County Brown Santa program!! Without the support of the community, this program wouldn't be able to provide the amazing services it does for our neighbors. Hats off to a successful year of scaring for a good cause and we can't wait to see you next year!

Visit wilco.org/brownsanta for more information about volunteering to support the Brown Santa program, as well as opportunities to adopt a local family.
