

## U.S. General Services Administration (GSA)

**GSA** provides superior workplaces, expert technology solutions, acquisition services, purchasing and e-travel solutions, at best value, to federal agencies so they can focus on their core missions. We actively:

- seek new bidders, competition for supply and service contracts
- purchase goods and services on a worldwide basis for Federal Courts and the U.S. Congress
- purchase from both national and local markets from its headquarters in Washington, DC, and eleven (11) regional offices around the country

**GSA** is carried out by two business lines:

- Public Buildings Service
- Federal Acquisition Services

**GSA** Small Business Utilization office is responsible for ensuring that small, minority, HUBZone, women and veteran-owned companies receive access to agency procurements.

For the past ten (13) years A Business Specialist for the *Office of Small Business Utilization for the GSA* is Anthony Caruso. Anthony facilitates workshops on how to become successful Government contractors throughout Arizona, California, Nevada and Hawaii (Pacific Rim Region). As an instructor, for monthly Procurement Business Networking sessions, which allows the exchange of pertinent information to assist small, minority and women owned businesses; he supplies crucial techniques, strategies and schedules that assist various businesses to acquire government contracts. Anthony received his BA from University of California Los Angeles (UCLA). Anthony has two children.
