

## PG&E Extends Deadline

® PG&E has extended the deadline for the request for proposal (RFP) with firms to develop Codes and Standards Enhancement proposals. **The RFP is focused on the advancement and improvement of the sections of Title 24 that pertain to the construction or alteration of energy-efficient Multifamily housing for the 2022 Building Energy Efficiency Standards rulemaking cycle.**

The successful bidder will work under the direction of the PG&E Project Manager with guidance from the Project Coordinator, the Statewide Utility Codes and Standards Team. Project Teams include subject matter experts that are adept in building systems for both residential and non-residential applications. The consultant chosen for this contract shall assume the role of the Multifamily Measures Project Team Lead and will assemble a Multifamily Project Team, including subcontractors, with expertise in specific areas, such as high performance walls and attics, central or individual unit water heating, advanced HVAC strategies, lighting sources and controls, indoor air quality systems, and other topic areas that pertain to multifamily new construction, additions and alterations. For examples of previous CASE proposals and supporting research, visit [www.title24stakeholders.com](http://www.title24stakeholders.com) To review the requirements for the current Standards, visit [www.energycodeace.com](http://www.energycodeace.com)

### The project will consist of the following tasks:

1. Project Coordination
2. Identification of Multifamily Codes and Standards Enhancement (CASE) Proposal Topics
3. CASE Proposal Research and Development
4. Support during the Pre-rulemaking and Rulemaking Process
5. Support during the Post-rulemaking Process
6. Coordination with Utilities, State Agencies, and Public Stakeholders
7. Project Reporting

### Background:

Pacific Gas and Electric Company (PG&E), incorporated in California in 1905, is one of the largest combination natural gas and electric utilities in the United States. Based in San Francisco, the company is a wholly owned subsidiary of PG&E Corporation.

There are approximately 20,000 employees who carry out PG&E's primary business—the transmission and delivery of energy. The Company provides natural gas and electric service to approximately 14 million people throughout a 70,000-square-mile service area in northern and central California. Our customers include over 20,000 schools, 3,000 hospitals, 20,000 high-tech companies and 700 military facilities. As the primary gas and electric service provider for Central and Northern California, PG&E has impressive size and territory that stretches from Eureka to Bakersfield and from the Pacific Ocean to the

Sierra Nevada. PG&E provides electricity to over 4.9 million customers and gas to over 3.9 million customers. PG&E is determined to expand opportunities which enhance our commitment to diversity, safety, environmental stewardship, and corporate integrity.

**Supply Chain Responsibility Requirements:**

The selected team will be responsible for complying with PG&E's Supply Chain Responsibility policies and procedures. The Contractor will provide a detailed description of their internal supplier responsibility program and practices.

**Other Requirements:**

Compliance with PG&E Contractor, Consultant, and Supplier code of Conduct which can be reviewed at: [http://www.pgecorp.com/aboutus/ethics\\_compliance/con\\_con\\_ven/index.shtml](http://www.pgecorp.com/aboutus/ethics_compliance/con_con_ven/index.shtml)

Refrain from directly supporting or collaborating with any PG&E competitors. A "PG&E Competitor" means any public and private entity (including but not limited to state and local agencies) that alone or in association with others, delivers, distributes, sells and/or transmits electricity and/or gas products or other energy services within PG&E's service area (Exhibit 1).

Required steps to be considered for participation:

**Suppliers interested in participating in this RFP must:**

- By email, express interest by **June 4, 2018 at 3 PM** Pacific.
- Reply to invite email from Power Advocate once received
- Submit a signed NDA in Power Advocate
