

BAR ASSOCIATION VOLUNTEER DAY

Please join us at the
Los Angeles Regional Food Bank
Saturday, May 12th

Food from the Bar is a campaign started by lawyers to fight hunger among children in our community. It consists of a five-week effort (**May 1 to June 2**) among law firms and legal offices in Los Angeles in which participants engage in “friendly competition” to contribute money, donate food, and volunteer time sorting and packing food at the Los Angeles Regional Food Bank.

You can help the campaign by filling bags full of food that will be distributed to children in the Food Bank's Backpack Program.

The minimum age requirement to participate is fourteen years old.
