

**This is an important legal document. Please read all sections carefully and sign below prior to your child's visit to the Community Lab. All participants must present a signed permission slip before participating in the Biogen Community Lab.**

**1. PERMISSION SLIP**

The Biogen Community Lab is a biotechnology teaching laboratory specifically designed for students and their teachers. Your child is scheduled to participate in an activity at Biogen's Community Lab, which may include activities held in other buildings at Biogen. The lab environment is safe and not any more hazardous than a classroom lab. However, as part of the experience we emphasize the need to work in a professional and safe manner. Basic safety guidelines will be reviewed with your child prior to the start of the laboratory. Biogen requests that your child abide by these guidelines, which include: entering only permitted areas; behaving in an orderly, respectful and safe manner; wearing provided protective equipment such as safety glasses when instructed; wearing closed-toe footwear and other appropriate clothing; and using equipment only as instructed. If any hazardous material is used the student will be clearly instructed on proper handling and must follow these instructions. If you have any concerns please contact Amanda Marvelle, RTP Community Lab Coordinator at 919 993-7523 or RTPCommunityLab@biogen.com.

**Child/Student statement: I agree to behave in a safe and responsible manner during my participation in Biogen Community Lab activities. I realize that any behavior judged by the Biogen staff to be inappropriate, dangerous or disrespectful will not be tolerated and may prohibit participation in the Community Lab activity in Biogen's sole discretion.**

**2. ACKNOWLEDGMENT AND ASSUMPTION OF RISK**

I have reviewed the information above with my child. I am aware of, and accept the risks inherent in participating in activities in this laboratory setting and recognize that my child must abide by the safety guidelines as described above and as will be explained in person while at the Community Lab or other Biogen buildings. I am aware that I can contact Biogen if I need further information. In consideration of my child being provided an opportunity for skilled instruction in hands-on biotechnology, I hereby release and hold harmless Biogen and its directors, officers, employees and agents from any liability for personal injury, loss, theft, damage, loss of income, or consequential damages resulting from my child's participation in the program. I fully waive any added legal claims against Biogen or its employees in connection with this consent.

**3. PARENT AND LEGAL GUARDIAN VERIFICATION**

By signing this form, I represent and warrant that I am the parent or legal guardian of my child with the authority to sign this document on my child's behalf, and I acknowledge that I agree to allow my child to participate in activities at the Biogen Community Lab or other Biogen buildings.

**STATEMENT & PHOTOGRAPHY/VIDEO RELEASE & AUTHORIZATION**

**4a.** I hereby grant to Biogen Inc.
