NATIONAL ANNOUNCEMENTS

WIB-National EWIB-Webinar: "Artificial Intelligence and Telehealth to Improve Patient Outcomes"
This presentation will discuss how technology and the legal framework underlying it are shifting to support telehealth services. Other digital health tools and tasks assisted by AI technology and expanded broadband deployment will also be addressed. The legal and technological obstacles facing these developments and how to overcome them will be touched on as well. Finally, examples of how AI and telehealth operations deliver improved patient outcomes will be provided. **Guest Speaker:** Chérie R. Kiser, managing partner of the Washington, D.C. office of Cahill Gordon & Reindel LLP. Executive Women In Bio (EWIB) Boardroom Ready Platform: Accepting Applicants
Executive Women In Bio's Boardroom Ready program was honored to share the launch of the executive profile directory at The Board Meeting West. [Check out this write up in Life Science Leader](https://www.womeninbio.org/admin/email/get_custom_template.asp?guid=8D9FE23C-2DAA-4E27-B9D2-A4D6D3F17BAD) for more info! Are you a female executive who's ready to serve on corporate boards for life science companies? Executive Women In Bio’s Boardroom Ready network can help - apply for the 2019 program today! #BoardroomReady #WomenInBio

Executive Women In Bio Holds Second Annual Boardroom Ready Reception & Retreat in San Francisco Bay Area, November 7-8, 2018 Recap
Boardroom Ready program alumnae (Classes 2016, 2017, and 2018) were joined by sponsors and senior executives, along with venture and equity investors, for an evening of networking at the San Francisco office of Foley and Lardner, LLP. This was a great opportunity to connect with industry influencers and other alumnae. The annual retreat, hosted the following day by Johnson and Johnson, was open to all alumnae of the Boardroom Ready program and included a day-long agenda of speakers and networking sessions. WIB-Atlanta: Holiday BioBash, December 6, 2018 Recap
The WIB-Atlanta Holiday BioBash, held at Main Event located on Cobb Parkway, was thoroughly enjoyed by all. It was an evening of great conversation, food and drink. There were multiple activities, including bowling, billiards, and karaoke. Women In Bio-Atlanta, along with Georgia Bio, IP Practitioners and Professionals of Atlanta (IP3), Southeastern Medical Device Association (SEMDA), and Regulatory Affairs Professional Society (RAPS-Atlanta) organized this holiday season event. Click here for additional photos

WIB-Atlanta Presents: 2018 Holiday Potluck Party, December 9, 2018 Recap
WIB-Atlanta celebrated the end of the year with friends, old and new on December 9, 2018, with a casual holiday gathering at the beautiful home of one of our WIB-Atlanta colleagues. The event was successful, with most of the WIB-Atlanta members and leaders (along with their friends) in attendance. We met many new people! Everyone in attendance brought a dish to share and there were wonderful desserts and drinks. While networking, many new members expressed interest in volunteering for WIB-Atlanta in 2019. At the end of this event, a new leadership team for 2019 was announced and pictures were taken. There was also an exciting raffle, with several women winning prizes. Everyone went home new WIB visor - a small gift from the WIB-Atlanta chapter to thank the members for their volunteering efforts and for helping make the WIB-Atlanta Chapter successful. Click here for additional photos

WIB-Capital Region: Commercializing and Funding Science in the Capital Region (Tonight!)
WIB-Capital Region presents “Commercializing and Funding Science in the Capital Region: Non-Dilutive Sources”. Attendees will learn first-hand from a panel of experts about non-dilutive funding and other small business resources available from sources like NIH and
2/1/2019

WIB-Capital Region: Full-Time Employment and Side Ventures
A panel of entrepreneurial women share their stories on full-time employment and side ventures. This Baltimore Meetup is free for members and students, and members may bring up to two guests at the member price (free). If you are new to WIB and interested in checking it out before becoming a member, please get in touch via CapitalRegion@womeninbio.org.

Speaker Bios
- Megan Wahler: FastForward Manager at Johns Hopkins Tech Ventures
- Jenny Owens, Sc.D.: Executive Director of the GRID and Host for Humanity
- Jennifer Hammaker: V.P. Business Development, TEDCO
- Facilitator: Sarah Pick, Marketing Director of The Institute of Genome Sciences at University of Maryland School of Medicine

WIB-Capital Region: Viewing of Bias and Chat with Director/Producer Robin Hauser
The Washington Women's Leadership Initiative (WWLI) is excited to present a private viewing of the film “bias and chat” with Director/Producer Robin Hauser and WIB members are invited to attend at WWLI member price! Following the presentation and chat, attendees are invited to join us for a networking reception. As bias is currently on the film festival circuit and not available to the public, this event will sell out! “bias” is a film that challenges us to confront our hidden biases and understand what we risk when we follow our gut. Through exposing her own biases, award-winning documentary filmmaker Robin Hauser highlights the nature of implicit bias, the grip it holds on our social and professional lives, and what it will take to induce change.

The event will take place on February 5, 2019, from 4:45 p.m. EST to 8:00 p.m. EST at the Angelika Film Center Mosaic, 2911 District Avenue, Fairfax, VA 22031. Register here. Use code BIAS19 for member price. Please do not share the code outside of WIB.

WIB-Capital Region: YWIB an Exhibitor in Family Science Days at 2019 AAAS Annual Meeting
AAAS Family Science Days is a free public science event that offers an array of hands-on family and child-friendly activities. It is held during the American Association for the Advancement of Science (AAAS) Annual Meeting, the largest general scientific conference in the world. The 2019 AAAS Family Science Days event will be held Saturday, February 16, and Sunday, February 17, from 11:00 a.m. to 4:00 p.m. at the Marriott Wardman Park in Washington, DC (location changes each year). Family Science Days feature interactive booths appropriate for K-12 youths and their families, highlighting diverse areas of science, as well as a live stage show and the chance to talk with scientists.

Family Science Days demonstrates the AAAS commitment to promoting public engagement with science, a central part of its mission to advance science and serve society. It provides an opportunity for local science organizations to gather and connect with their communities and gives the scientists attending the meeting a chance to see public engagement in action. The event is advertised to families via local media, schools, community organizations, and participating institutions. Learn More

WIB-Capital Region: Artificial Intelligence-Based Insights from Heart Rate to Respiration, Voice and Brain Data
Find out about how the nature of artificial intelligence can influence our lives. Topics covered will include: using live wearables to show heart rate and respiration in real-time, software analytics for human voices, brain-related data, social network analysis and the real-world, driving, and more. This Baltimore Meetup is free for members and students, and members may bring up to two guests at the member price (free). If you're new to WIB and interested in checking it out before becoming a member, get in touch via CapitalRegion@womeninbio.org. Speakers: Jean M Vettel and Debra Cancro. Learn more and register for this event

WIB-Capital Region: Winter Warm-Up Mixer
Let's get together and thaw out a bit from this winter cold! Join Women In Bio - Capital Region and Healthcare Businesswomen's Association (HBA) Montgomery Corridor at our first joint networking event of 2019. Come out and make new connections, or meet up with familiar faces, while enjoying an evening of delicious nibbles and invigorating beverages in a relaxed, casual setting. Each registration includes one drink ticket and light appetizers. The more the merrier, so be sure to register and spread the word! NOTE: HBA members can register through HBA's website in order to receive HBA member's pricing. Learn more and register for this event

WIB-Capital Region: YWIB Emergent Biosolutions Inc. Lab Tours and Career Panel
YWIB-Capital Region, in collaboration with Emergent Biosolutions, presents the “Emergent Biosolutions Inc. Lab Tours and Career Panel”.

Attendees will learn first-hand about Emergent Biosolutions and their mission, attend a tour of their facility followed by a hands-on activity. Students will also participate in a career panel hosted by the scientists at Emergent Biosolutions. YWIB Age Group: High school students ages 14-18. Learn more and register for this event

YWIB-Capital Region Event Recap: 4th Annual STEM Event for Young Women, November 14, 2018
On November 14, 2018, a group of 38 young women gathered at the University of Maryland Greenebaum Comprehensive Cancer Center for the 4th Annual STEM Event for Young Women. The high school juniors and seniors were students from the following schools: Baltimore Leadership for Young Women Charter School, Beth Tfiloh Dahan Community School, Catholic High School of Baltimore, and Garrison Forrest School. Click here for more details and additional photos.

WIB-Capital Region: Volunteers Needed for YWIB-AAAS Family Science Days

Our chapter’s Young Women In Bio (YWIB) committee is looking for volunteers for Family Science Days at the 2019 AAAS Annual Meeting! AAAS Family Science Days is a free public science event that offers an array of hands-on family and child-friendly activities. Science days features interactive booths appropriate for K-12 youths and their families, highlighting diverse areas of science, hands-on demonstrations and the chance to talk with scientists. YWIB is participating as an exhibitor for AAAS Family Science Days scheduled for February 16-17, 2019. The event runs from 11 a.m. to 4 p.m. If you are interested in volunteering, please contact capitalregionywib@womeninbio.org.

WIB-Chicago: Engage in Chicago’s vibrant life science community – call for volunteers!

Do you…
…want to get more engaged with women and your local life science community?
…want to build your professional network and make friends along the way?
…want to help build and shape Women In Bio-Chicago?
…want to add some rewarding volunteer activity to your CV?

Then come and join us! We are looking for volunteers to help out in various committees. Just to name a few, Special Events and Program are looking for help with organizing events, Membership needs some help at the events itself, Communication wants people that engage in outreach and our MAPS committee is eager to kick-off the second round of our mentorship program and needs a helping hand with that. If anything of that sounds interesting to you, you have a general interest in volunteering for WIB or even if you have other ideas about how you would like to contribute, reach out to us! Email Rike (our communication chair) for further information.

We can do it alone, but together we can do it better!

Back to top.
WIB-Greater Boston

Connect with us! Boston@WomenInBio.org

WIB-Boston: Members Invited to Join the Mentorship, Advisors, Peers, and Sponsorship (MAPS) Program

The MAPS Mentoring Program provides mentorship for Women In Bio members in small-group settings. Mentorship, Advisors, Peers, and Sponsorship (MAPS) builds strong connectivity among team members and fosters opportunities for personal and professional GROWTH through sharing of knowledge and experiences and leveraging the diverse skills and perspectives.

Each mentoring group is made up of four mentees with at least two to three years of professional experience within the biotech/life sciences industry and two women with accomplished careers, as mentors. Groups will be assigned based on information provided in the applications available below, including professional goals, seniority, and location preferences. The program will run between April and November 2019.

The mentoring program is integrated with WIB Greater Boston’s Leadership Ready Program, a seminar series that focuses on career development and leadership topics. Women who attend a designated number of sessions and mentoring meetings earn a Leadership Ready certification from WIB.

The deadline for application submission is March 8, 2019. The MAPS kickoff event to introduce the groups and discuss best practices will be scheduled in April (Date and Location TBD).

For more information or to register, click here.

WIB-Greater Montreal

Connect with us! Montreal@WomenInBio.org

WIB-Greater Montreal: "Inferior: How Science Got Women Wrong..."

On January 16, 2019, WIB–Greater Montreal hosted a fun and fascinating discussion on “Inferior: How Science Got Women Wrong – and the New Research That’s Rewriting the Story” from Angela Saini. From intelligence to emotion, for centuries science has told us that men and women are fundamentally different. But this was not the whole story. Shedding light on controversial research and investigating the ferocious gender wars in biology, psychology, and anthropology, in her book, Angela Saini took readers on an eye-opening journey to uncover how women are being rediscovered. She explored what these revelations meant for us as individuals and as a society, revealing an alternative view of science in which women are included, rather than excluded. Participants brought a copy of the book and asked questions to kick-start the discussion and moderate the group. Drinks and light fare were provided.

WIB-Metro New York

Connect with us! NewYork@WomenInBio.org

WIB-New York: BIO Executive Training Invitation
Please join Women In Bio at the BIO CEO & Investor Conference, an investor conference focused on established and emerging publicly traded and select private biotech companies. BIO is pleased to offer WIB a discount of up to $400 off the biotech/pharma non-member rate to attend the conference. Use code BIOCEO32 when registering here.

WIB-Philadelphia Metro

WIB-Philadelphia Metro: Meet Your Biotech and Life Science Neighbors in Blue Bell (Hosted by IPS)
Join Women In Bio–Philadelphia Metro at our Blue Bell networking event. We will be hosting a free mixer in the beautiful and newly renovated lobby of the 785 Arbor Way building on the Arborcrest Corporate Campus. WIB leadership will introduce themselves and provide information about their roles and about WIB activities and events. Heavy hors d’oeuvres, beer, wine, and refreshments will be served. Learn more and register for this event

WIB-Philadelphia Call for Volunteers
WIB-Philadelphia Metro is looking for volunteers in the following areas:

- **Membership Committee** – Involved in planning semi-annual membership drives and social media outreach to new members
- **Communications Committee** – Social media posting, email correspondence with chapter partners to generate awareness
- **Sponsorship Committee** – Outreach to existing sponsors to realize full benefits of investment, building relationships with members and network to secure new sponsorships
- **Program Committee** – Involved with identifying, coordinating, and implementing programs and events. Work with presenters, venue coordinators, and caterers
- **Young Women In Bio** – Supporting planning and organization of YWIB events (school reach out, promoting YWIB mission with companies, event prep etc.)
- **Chapter Secretary** – Manage monthly leadership call logistics (distribute agendas, record & distribute meeting minutes), Manage actions from monthly calls, Send calendar invites for chapter events, Manage monthly national committee minutes

Please email Philadelphiametro@WomenInBio.org if you have interest in joining either committee.

WIB-Pittsburgh: Painting with a Twist: Sips of Art and Fun with Women In Bio
Join Women In Bio for a colorful event at Painting with a Twist! Enjoy an evening getting to know fellow WIB members during a special painting session complete with step-by-step guidance from local artists and go home with a unique painting created by you. Come improve or show off your painting skills in a casual and relaxed atmosphere and enjoy light appetizers and drinks. Painting materials, instructions, food, and drink are included in your registration. Due to necessary preparations, no walk-ins will be accepted and registration will close on February 18, 2019. Painting begins promptly at 6:00 p.m. Learn more and register for this event

WIB-Pittsburgh: Women Who Inspire – A Career Panel with Leading Pittsburgh Women
Successful women abound in the sciences. Women In Bio-Pittsburgh is excited to celebrate Women’s History Month in March by hearing from distinguished women across a variety of science professions - from academia to industry, to law. Join these inspiring women to hear about their career journeys - their successes and their challenges - and how they lead and inspire others to be successful in their careers.
In addition to a moderated panel discussion, speakers will be available during a networking session with light food and refreshments. Bring your friends and colleagues and join us for an inspiring evening. Learn more and register for this event.

WIB-RTP: How to Proactively Manage Your Career

WIB-RTP is hosting an event focusing on how to best manage your career at every stage. The event will be led by two women, who will provide best practice principles and techniques from starting a first-time job search to how to revamp your resume for a senior career transition. Rachel Wile is Senior Recruitment Consultant at Barrington James, who will be speaking about how to utilize and effectively work with a recruiter. Heidi Giusto is head of Career Path Writing Solutions and will provide professional writing tips for your resume. Additionally, both women will assist in a dynamic resume-swap activity and will provide feedback on questions. Don’t forget to bring your resume! Learn more and register for this event.

WIB-San Francisco: Curious about Careers in Health, Technology, and Innovation?

YWIB welcomes the students from the College Track Oakland and San Francisco to learn about the Biodesign Innovation Fellowship program for aspiring innovators to identify important healthcare needs, invent health technologies to resolve them and implement these solutions into patient care. Enjoy an opportunity to hear from women in the fellowship program and take a look inside the Stanford Byers Center for Biodesign. Learn more and register for this event.

WIB-San Francisco: MAPS Recruitment Networking Event in the South Bay

Have you been interested in learning more about our mentorship opportunities or a way to give back to our local community? Our MAPS programs strive to bring together people in various stages of their career, who are on different paths, and with a range of backgrounds in a professional yet social atmosphere. We offer both 1:1 mentoring and 6 regional peer groups across the Bay Area!

Join us for an evening of networking and to sign up to participate in your local group. Starting in 2019, all of our peer groups will be open to new members on a bi-annual basis (February and August) so come meet some of our peer group members and leaders and get signed up! We are also seeking mid to senior career level women to volunteer to be mentors for our 1:1 programming which runs on the same bi-annual cadence. Learn more and register for this event.
WIB Seattle: Building a Plan for Your Year
With the new year beginning, this is the perfect time to reflect on where you’re at, identify areas for growth, and set professional and personal goals for the new year. Join WIB-Seattle and Women Catalysts for a workshop on goal setting. By prioritizing our goals and committing to the first steps to making them happen, we can set ourselves up for success, and go for our goals without getting overwhelmed or stressed out. For more information or to register, click here.

About Our Chapter
WIB-Seattle is an organization of professionals actively committed to promoting careers, leadership, and entrepreneurship of women in the life sciences throughout Seattle, Bellevue, Bothell and the other cities located in King, Pierce, and Snohomish counties. We are dedicated to providing education, mentoring, and professional development assistance to women who work in life sciences or in professions supportive of the life sciences, as well as young women and girls who are interested in science careers.

Our membership consists of professionals at leading pharmaceutical, biotechnology, and device companies, non-profits, academic institutions, and support service companies including law firms, consultants, and financial service firms. Learn more about our chapter.

WIB-Southern California: The Broken Wheel: Connecting Data with Real People
There’s a distinct line between the ability to conduct big data analytics and the ability to engage in the next step of true clinical decision support. “Big data” is an inherently misleading term, since “big” refers not to the volume of data but to the number of sources that can be combined to produce completely new insights. Big data analytics can be (1) descriptive, (2) predictive, or (3) prescriptive analytics reflective of what has already happened, what is likely happen, and what they can do about it, respectively. The ability to close the gap between research data and clinical actionable data is essential but it’s a burden. This is your opportunity to listen to the experts and participate in an open and stimulating discussion. Learn more and register for this event

WIB-Southern California: The Growing Importance of Patient Advocacy in BioPharma, January 22, 2019 Recap
On January 22, 2019, WIB-Southern California’s event “The Growing Importance of Patient Advocacy in BioPharma” focused on patient advocacy with an interesting panel discussion moderated by Jenna Swan, Sr. Manager, Patient Advocacy at Retrophin. Panelists were Kathy Machuzak, Associate Director, Patient Advocacy at Retrophin; Patricia Wood, President of the NBIA Disorders Association; Kathryn Croskrey, Executive Director of the Alzheimer’s Association; and Jimmy Jackson, Sr. Vice President and Chief Policy Officer at Biocom. Retrophin hosted the event at their Carmel Valley office in San Diego and sponsored the event. Thanks also to American Laboratory Trading (ALT), WIB-Southern California’s elite chapter sponsor, and IQVIA, chapter sponsor. The event started with a networking reception with fantastic appetizers, desserts, and drinks. Alexa Tralla, the incoming chair of WIB-Southern California spoke about WIB, Gary Pietryk spoke about ALT’s products and services. Click here for more photos and information.

WIB-Southern California Welcomes the First Elite Chapter Sponsor, American Laboratory Trading (ALT)
WIB-Southern California is excited to announce that ALT is our first Elite Chapter Sponsor as of December 2018. The 2-year partnership between WIB-Southern California and ALT is a testament to the commitment of these organizations to life sciences research in Southern California. As a Chapter Elite Sponsor, ALT will support a variety of WIB-Southern California events and will offer discounted products and services to WIB-Southern California members. ALT has a long history of providing asset recovery services and affordable, premium refurbished instruments with lifetime support. Through this new unique partnership, WIB-Southern California members will receive exclusive discounts and offers on premium, refurbished laboratory equipment, plus tailored and local surplus strategy services, to help them maximize their return on investment.

Rich Pugnier, Vice President of Corporate Development & Marketing at ALT, pointed out that the partnership with WIB WIB-Southern California helps ALT drive growth and strengthen diversity, with the ultimate goal of supporting the region’s life sciences research and development in academia, early-stage companies, and industry. WIB-Southern California thanks ALT for its generous contribution to our chapter and looks forward to a productive partnership. For more information, click here.
About Our Chapter
The Women In Bio – Texas chapter provides easy reach to the home of some of the most prominent academic research centers in the country, including the University of Texas at Austin, M.D. Anderson Cancer Center, The Texas Heart Institute, the Texas Biomedical Research Institute, the Texas A&M System, and the Baylor, Scott & White System of institutions. The many internationally recognized hospitals and medical research centers in Texas attract a highly skilled network of trained hospital staffers, nurses, and doctors, as well as clinical trial organizations.

Our membership base includes academic and clinical researchers, sales professionals, venture capitalists, legal advisors, intellectual property advisors, technology transfer specialists, policy experts, clinical trials professionals, doctors, medical/science communicators, educators, students, and many other experts who support the health, pharmaceutical, and science industries. These and other qualities have nurtured the creation of a burgeoning biotech industry in the state, Texas having recently being dubbed the “Third Coast” of Biotechnology. Learn more about our chapter.

OTHER INTERESTS

What is the Women's Series:
The Women's Series are joint events of the Belgian, French, Netherlands and German American Chambers of Commerce as well as the British American Business Council. Started in January 2014, the Women's Series holds quarterly business events for professional women of the Atlanta international community. The goal of the Women's Series is to bring educational and stimulating content to our attendees, while also facilitating professional opportunities and networking among peers. We are proud to offer topics to help connect and develop the women of our communities.

Junior Achievement of Northern California Seeking Volunteers
Junior Achievement of Northern California is looking for volunteers and SHE Leads mentors for an event that aims to help girls in the sciences. For more information, click here.
