

Association of Women Surgeons (AWS) membership access to *American Journal of Surgery*

To access your online subscription, you'll need to complete a one-time, two-step process:

1. Register a username at www.americanjournalofsurgery.com
2. Submit an online access claim
 - Note that you will need to enter the journal account number + Last Name linked to your subscription to activate online access.

If you have not already done so, click [here](#) to create an account (or Log In with your existing profile).

- Once Registration (or Log In) is complete you will be directed to the access activation form page

On the Claim Online Access page:

- Click the checkbox indicating **I receive my subscription through a society membership**
- Choose the AWS affiliation from the Society/Group menu
- Enter your sub account following the sample below

Journal: The American Journal of Surgery

I receive my subscription through a society membership

Society/Group: Association of Women Surgeons (AWS) ▼

Membership/Account Number: 9999999-1

Last Name: Sample

[Cancel](#)

- Click Activate Access
- An onscreen message will confirm your access claim was successful and you are done!

Once your activation is complete, you can take full advantage of this site's personalization features and you can click through to read articles directly from email alerts.
