AWS invites you to participate in our third annual DAY OF SERVICE!

Saturday, September 8, 2018

Spend a day with your peers and mentors while making a difference in your community!

Find a medical, educational or charitable need in your community to dedicate your time to. Be creative!

#AWSdayofservice

Submit your chapter’s Day of Service plan by August 25, 2018.

If this particular date does not work for your chapter, we would still love for your chapter to participate in Day of Service! Please reach out to your Regional Representative to work on coordinating an alternate date!
