

# LEARN. CREATE. CONNECT.

The American Association of Woodturners (AAW) is the world's leading resource for woodturning information, inspiration, and instruction. An AAW membership can help you learn, create, and stay plugged in to the worldwide woodturning community. AAW members receive the *American Woodturner* journal, and have access to a variety of digital publications, services, website tools, grant opportunities, and specialty programming like Women in Turning (WIT).

## WOMEN IN TURNING (WIT)

Connect with women worldwide who share a passion for woodturning through AAW's Women in Turning (WIT)! WIT's activities aim to attract more women to woodturning, and increase visibility and participation of women leaders in the field by:

- Encouraging and assisting members in their woodturning pursuits;
- Expanding members' knowledge, skills, and creativity;
- Fostering the sharing of ideas and processes; and
- Supporting involvement in the AAW, community woodturning projects, and initiatives.
