

### **Medical Billing Module 1: Introduction to Medical Billing and Records**

Faculty: Stacey Olson, CPC, CIRCC, CEMR, CCPP, Senior Coding Compliance Liaison, Providence Health & Services

ACPE UAN 0130-0000-19-294-H04-P&T | Activity Type: Knowledge | Disclosure: None | .75 CPE hours

Initial Release date: 11/1/2019 | Expiration date: 11/1/2022

The fee for this activity is \$21.00 for WSPA members, \$35 for non-members.

At the completion of this activity, the pharmacist and technician will be able to:

- Identify key factors in successful medical billing practices
- Discuss ICD10, CPT®, & HCPCS codes & their importance in revenue cycle
- Describe the importance of thorough medical record documentation

### **Medical Billing Module 2: Incident to and general, direct, and personal supervision**

Faculty: Stacey Olson, CPC, CIRCC, CEMR, CCPP, Senior Coding Compliance Liaison, Providence Health & Services

ACPE UAN 0130-0000-19-295-H04-P&T | Activity Type: Knowledge | Disclosure: None | .50 CPE hr.

Initial Release date: 11/1/2019 | Expiration date: 11/1/2022

The fee for this activity is \$15.00 for WSPA members, \$25.00 for non-members.

At the completion of this activity, the pharmacist and technician will be able to:

- Explain the CMS 'Incident to' rule
- State the requirements to bill under the 'Incident to' rule
- Describe the supervision required for billing 'incident to'
- Discuss the settings and services where the 'incident to' rule can be used
- List the risks of billing under the 'incident to' rule

### **Medical Billing Module 3: Introduction to Evaluation & Management (E/M) Codes**

Faculty: Stacey Olson, CPC, CIRCC, CEMR, CCPP, Senior Coding Compliance Liaison, Providence Health & Services

ACPE UAN 0130-0000-19-296-H04-P&T | Activity Type: Knowledge | Disclosure: None | .50 CPE hr.

Initial Release date: 11/1/2019 | Expiration date: 11/1/2022

The fee for this activity is \$15.00 for WSPA members, \$25.00 for non-members.

At the completion of this activity, the pharmacist and technician will be able to:

- Identify Evaluation and Management codes and how they are to be used
- Define New and Established Evaluation and Management Services
- Identify requirements that need to be met to bill consultation codes
- List other services that are included in the Evaluation and Management section of CPT® that pharmacists may render

### **Medical Billing Module 4: Navigating the Medical Revenue Cycle**

Faculty: Stacey Olson, CPC, CIRCC, CEMR, CCPP, Senior Coding Compliance Liaison, Providence Health & Services

ACPE UAN 0130-0000-19-297-H04-P&T | Activity Type: Knowledge | Disclosure: None | 1.0 CPE hr.

Initial Release date: 11/1/2019 | Expiration date: 11/1/2022

The fee for this activity is \$27.00 for WSPA members, \$45.00 for non-members.

At the completion of this activity, the pharmacist and technician will be able to:

- Recognize how contracting and credentialing affect the Revenue Cycle
- Identify steps for selecting Practice Management Systems and Electronic Medical Records
- Describe different insurance models
- Explain "Revenue Cycle" and identify successful strategies
- State the need for policies and other tools needed for optimizing your Revenue Cycle

### **Medical Billing Module 5: Time Based Evaluation and Management**

Faculty: Stacey Olson, CPC, CIRCC, CEMR, CCPP, Senior Coding Compliance Liaison, Providence Health & Services

ACPE UAN 0130-0000-19-298-H04-P&T | Activity Type: knowledge | Disclosure: None | .50 CPE hr.

Initial Release date: 11/1/2019 | Expiration date: 11/1/2022

The fee for this activity is \$15.00 for WSPA members, \$25.00 for non-members.

At the completion of this activity, the pharmacist and technician will be able to:

- Identify when it is appropriate to use 'Time' as the controlling factor for selecting a level of Evaluation & Management CPT®
- Identify good examples of documentation for time based E/M CPT®
- List examples of time statements that may not support time based coding
- Review 'Time' guidelines to select an E/M CPT®

### **Medical Billing Module 6: Key Components of Complexity Based E/M – History**

Faculty: Stacey Olson, CPC, CIRCC, CEMR, CCPP, Senior Coding Compliance Liaison, Providence Health & Services

ACPE UAN 0130-0000-19-299-H04-P&T | Activity Type: Knowledge | Disclosure: None | .50 CPE hr.

Initial Release date: 11/1/2019 | Expiration date: 11/1/2022

The fee for this activity is \$15.00 for WSPA members, \$25.00 for non-members.

At the completion of this activity, the pharmacist and technician will be able to:

- Define the 4 elements of history as outlined by CMS Documentation Guidelines and CPT®
- Explain the level of history in a case study using the auditing tool provided by WSPA
- List the E/M CPT® codes that would be supported for the history level obtained

### **Medical Billing Module 7: Key Components of Complexity Based E/M – Examination**

Faculty: Stacey Olson, CPC, CIRCC, CEMR, CCPP, Senior Coding Compliance Liaison, Providence Health & Services

ACPE UAN 0130-0000-19-300-H04-P&T | Activity Type: Knowledge | Disclosure: None | .50 CPE hr.

Initial Release date: 11/1/2019 | Expiration date: 11/1/2022

The fee for this activity is \$15.00 for WSPA members, \$25.00 for non-members.

At the completion of this activity, the pharmacist and technician will be able to:

- State the difference between 1995 & 1997 CMS Documentation Guidelines for exam
- Discuss the level of exam in a case study using the auditing tool provided by WSPA for 1995 and 1997 Documentation Guidelines
- List the E/M CPT® codes that would be supported for the exam level obtained

### **Medical Billing Module 8: Key Components of Complexity Based E/M – Medical Decision Making (MDM)**

Faculty: Stacey Olson, CPC, CIRCC, CEMR, CCPP, Senior Coding Compliance Liaison, Providence Health & Services

ACPE UAN 0130-0000-19-301-H04-P&T | Activity Type: Knowledge | Disclosure: None | .75 CPE hr.

Initial Release date: 11/1/2019 | Expiration date: 11/1/2022

The fee for this activity is \$21.00 for WSPA members, \$35.00 for non-members.

At the completion of this activity, the pharmacist and technician will be able to:

- Define the 3 elements of 'Medical Decision Making' as defined by CMS Documentation Guidelines and CPT®
- Discuss the level of 'Medical Decision Making' in a case study using the auditing tool provided by WSPA
- List the E/M CPT® codes that would be supported for the level of 'Medical Decision Making' obtained

### **Medical Billing Module 9: Auditing Medical Record**

Faculty: Stacey Olson, CPC, CIRCC, CEMR, CCPP, Senior Coding Compliance Liaison, Providence Health & Services

ACPE UAN 0130-0000-19-302-H04-P&T | Activity Type: Knowledge | Disclosure: None | 1 CPE hr.

Initial Release date: 11/1/2019 | Expiration date: 11/1/2022

The fee for this activity is \$27.00 for WSPA members, \$45.00 for non-members.

At the completion of this activity, the pharmacist and technician will be able to:

- Explain the importance of provider documentation and its relationship to revenue cycle
- Define what auditors are assessing when reviewing documentation
- Discuss goals of internal audits and what to do with results
- Describe when internal audits may happen and what steps to take
- Review several provider visit case studies to determine the level of E/M supported by documentation using the WSPA auditing tool

### **Medical Billing Module 10: Compliance Laws and Regulations**

Faculty: Rachael Ream, JD, Ph.D., Attorney, Hall, Render, Killian, Health & Lyman, P.C.

ACPE UAN 0130-0000-19-303-H04-P&T | Activity Type: Knowledge | Disclosure: None | 1 CPE hr.

Initial Release date: 11/1/2019 | Expiration date: 11/1/2022

The fee for this activity is \$27.00 for WSPA members, \$45.00 for non-members.

At the completion of this activity, the pharmacist and technician will be able to:

- Recall compliance requirements, laws, and regulations used in medical billing (Stark, Anti-trust, False Claims Act, OIG, CMS, etc).
- Recognize fraudulent practices targeted by audits and investigations.
- Identify best practices to mitigate audits or investigations.

#### **To Receive Credit:**

To receive credit, you must get a score of at least 70% correct responses. If you do not achieve 70% or better, you will be allowed to take 3 retakes. If you pass with a 70%, you will receive a certificate and the CE will be uploaded to the CPE Monitor within a few days. You will need to make sure that your NABP e-Profile ID# and Date of birth are entered into your profile under the CPE Monitor Integration Details. If this information is not entered your CE can not be uploaded.

**The Washington State Pharmacy Association is accredited by the Accreditation Council for Pharmacy Education as a Provider of continuing pharmacy education**
