Eight Sears Holdings Asset & Profit Protection Associates Receive Loss Prevention Foundation Scholarships to Support Career Advancement

Hoffman Estates, IL., Mar. 14, 2018 –Sears Holdings, in partnership with the [The Loss Prevention Foundation](#) (LPF) today awarded 5 Sears Holdings Asset & Profit Protection Associates [scholarships](#) designed to support their career advancement and personal development while working at SHC. Sears Holdings takes great pleasure in every opportunity to invest in the development of their teams.

SHC awarded the scholarships for certification-review courses and the final exams, for both LPCertified (LPC) and LPQualified (LPQ), which will earn them a widely-recognized certification within the loss prevention industry.

Scott Glenn, Vice President and CSO noted: "It is a tremendous honor to be able to invest in the future leaders of our industry. The Associates selected for these scholarships are the future of our organization and I am proud of each of them".

Congratulations to the following recipients of the LPQualified (LPQ) and LPCertified (LPC) Scholarships:

- Nick Cranfill – Zone Manager, Asset Protection
- Jim Kralik – Market Manager, Asset Protection
- Casey Jones – Manager, Asset Protection
- Amanda Campanian – Zone Manager, Asset Protection
- Jessica Quigley – Investigations Specialist, Asset Protection

The Loss Prevention Foundation Announces the Release of LPQualified 2.0

The Loss Prevention Foundation is proud to announce the release of the latest version of the LPQualified (LPQ) course content, now available to anyone and everyone interested in the certification process. To ensure this course remains most beneficial to the loss prevention/asset protection audience, the latest version of the course includes:

- Updated content to enhance the value and relevance of the material for today's LP professional
- New content where necessary and appropriate to reflect the latest industry practices, policies, trends, technologies, and other information essential to the profession
- Enhanced learning design to further engage the student in the learning process
- Enhanced Course Review questions to help students best prepare for the proctored exam

The Loss Prevention Foundation's LPQualified (**LPQ**) is a certification designed to provide a benchmark education for loss prevention managers, supervisors, store managers, college students, select hourly employees, and anyone interested in the career field. The course was created with input from more than 170 loss prevention leaders and subject matter experts from more than 75 of today's leading retail companies.

To earn certification, you must pass the LPQ proctored exam (100 multiple choice questions) offered at locations throughout the US. While you are not required to purchase the LPQ course prior to taking the exam, it is the best study tool available.

The LPQ coursework is composed of 3 courses with 25 detailed chapters. Curriculum focuses on:

- Course 1: The Retail Environment**
- Course 2: Becoming a Successful Business Person**
- Course 3: Loss Prevention Basics and Tools**

Each module includes section review questions, practical applications, and a practice exam at the end of the course. The self-paced course is delivered 100% online. This educational program is a college-accredited course with the text supported by video demonstrations and hundreds of photos. The course also provides a study gopher that allows for note-taking, which can be printed as a study resource as the LPQ student prepares for the exam.

The Loss Prevention Foundation (LPF) Announces the Development of a New and Improved Website (Coming Soon)
