New Database to Launch Next Month!
PRA’s new database will provide more efficiency, reliability and ease of use for management and members as well. Additionally, new membership software is scheduled to launch this summer that will give members many more practical applications and social media options.

PRA and Meaningful Measurement Celebrate One Year Collaboration
PRA’s management team, Meaningful Measurement, celebrated it’s one-year partnership with PRA in March. Come meet members of our team at the next monthly chapter meeting.

BOD Activity: PRA Board of Directors met twice during the first quarter on February 17th and March 17th.

- The new Mission Training Series offers evidenced-based training for your CPRP and CFRP candidates – click here for more information: https://www.psychrehabassociation.org/series/mission-training-series-all-modules-full-course
- PRA is updating the CPRP Prep Course and expects to roll it out this summer. This revised course will better prepare candidates for the CPRP exam by providing up-to-date information, coursework content, quizzes and more.
- The Apprenticeship Program is well underway. Committees have been meeting regularly and are almost ready for a final review before submitting to the Department of Labor.
