Delaware Board of Examiners of Psychologists <i>(Continued)</i>		<p>Governor Carney ...temporarily lifted regulations to expand access to telemedicine. Under the modified declaration:</p> <ul style="list-style-type: none"> • Patients do not need to present in-person before telemedicine services may be provided. • Delaware residents do not need to be present in Delaware at the time the telemedicine services are provided. • Any out of state healthcare provider who would be permitted to provide telemedicine services in Delaware if they were licensed under Title 24 may provide telemedicine services to a Delaware resident if they hold an active license in another jurisdiction. • https://news.delaware.gov/2020/03/18/governor-carney-issues-second-update-to-emergency-declaration/ <p>At present, telemedicine guidelines still indicate that phone with video capability be utilized—we are awaiting updated information with hopes that restriction will also be, temporarily, lifted in an effort to expand access to care during this state of emergency. Furthermore, we are anticipating clearances to provide telehealth services from places other than the official office of licensed provider, which would expand opportunities for providers to practice social distancing and self-quarantine as needed.</p>

Rhode Island Board of Psychology	Phone: (401) 222-5960 Email: Website: Click here	1. YES 2. NO 3. Yes, please read below. It is the determination of the RI Board of Psychology that a RI licensed psychologist may practice Tele-Health in RI as Tele-Health is considered to be within the scope of practice for psychologists. RI also allows a psychologist licensed in another state to practice in RI for 10 days per calendar year, per RI General Law (RIGL) 5-44-23 (h) in RI. At this time the Board would consider contact by a psychologist licensed in another state with a patient physically located in RI as 1 day counted toward that limit. Associated with this provision, a psychologist licensed and physically located in another state may practice Tele-Health from their home state to a patient / client physically located in RI. Please also find a link for an Application, should you choose to seek a RI license for future use. https://health.ri.gov/licenses/ RIGL http://webserver.rilin.state.ri.us/Statutes/TITLE5/5-44/INDEX.HTM Rules & Regulations https://risos-apa-production-public.s3.amazonaws.com/DOH/REG_9966_20180811131746.pdf

South Carolina Board of Examiners of Psychology	Phone: (803) 896-4664 Email: psychology@llr.sc.gov Website: Click here	1. Yes 2. During the period of the declared public health emergency, the Board will suspend enforcement of South Carolina licensing provisions for psychologists who are licensed out-of-state, who have an established client relationship with an individual who is now residing in South Carolina, to allow continuance of the therapeutic relationship by means of telecommunication.
South Dakota Board of Examiners of Psychologists	Phone: (605) 642-1660 Email: proflic@rushmore.com Website: Click here	1. Yes, our Governor has declared a state of emergency 2. There has been an allowance for telepractice through April 12 th . Pursuant to Executive Order 2020-07 of the Governor of South Dakota, the psychologist licenses of all member states of the Emergency Management Assistance Compact (EMAC) are recognized in South Dakota for the duration of the Order, through April 12, 2020. At the time of this posting, members of EMAC include all 50 states, the District of Columbia, Puerto Rico, Guam, the U.S. Virgin Islands, and the Northern Mariana Islands. Individuals holding a psychologist license in any of those states or territories can practice in South Dakota by virtue of the Order. Anyone practicing in South Dakota is subject to all rules and regulations surrounding the practice of psychology in South Dakota.
